

MusIQ Club Beginner Level 2C: Rhythm - Eighth Notes

Eighth notes get 1/2 a beat each, which means that each pair of eighth notes gets 1 beat, and is equal to 1 quarter note:

A pair of eighth notes look like 2 quarter notes joined together with a BEAM. Draw 4 pairs of eighth notes to fill this measure of 4/4 time signature, and write the counts underneath each note.

Compose a 2-measure rhythm, using at least 1 pair of eighth notes in each measure:
